

Ace Archers, Inc. Spring 2012 Youth League Schedule

The 2012 Spring Youth League meets on Wednesday evenings from 6:30 pm to about 8:00 pm, or when the league finishes. We may be shooting a double line, if needed.

The fee for joining the league is \$10. The league fee is \$10.

This is a handicapped league. Each team receives a handicap when shooting against a better team. The handicap is 80% of the difference between the team's averages. Teams are built using the archer's average; we try to keep all the teams with about the same team average. Each archer's average is taken from the last two times they shot. The archers' averages are summed to get the team average. The handicap is then awarded to the team with the lowest average.

Trophies will be awarded to the league winners; 1st, 2nd and 3rd places are awarded.

The league day is the date the league meets on. You will pass in a score on the league day unless you cannot be there. If you cannot be there on the league day, you must pass in a score by the make-up date. Please pass in your make-up score to the front desk. If you miss the make-up date, then you will receive your average minus five points for your day's score.

If you will be missing a league day for a vacation or other reason, please let Tom Herrington know before you miss league day and please shoot a score before you miss league day.

All make-up scores are the same as a league day score. All scores must be shot at Ace Archers, Inc. on the correct target face. The fee for all make-up score is \$10.

We will be having a Pizza Party in the Party Room on 6/27/2012 at 6:30 pm to present awards.

Any question, please call Tom Herrington at 508-697-5647 or email him at therrington@acearchers.com.
